Subsidy in operation of PDS

1308.SHRI MATILAL SARKAR: Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) the amount spent for providing subsidy in operating PDS in the years 2006-07, 2007-08 and 2008-09 uptil now, head-wise;

(b) how much of the subsidy has reached the consumers directly;

(c) how many commodities are being regularly distributed to both BPL and APL ration card holders, name of the States and respective commodities;

(d) whether Government has any programme to supply pulses and edible oils to BPL families and other poor families under APL category; and

(e) if so, the details of the programme?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH): (a) As informed by Food Corporation of India (FCI), the amount spent by FCI for providing subsidy in operating PDS in the years 2006-07, 2007-08 and 2008-09 is as under:

(Rs. in crore)

	APL	BPL	AAY	Total
2006-07 (Prov.)	4087	9754	7833	21674
2007-08 (RE)	5767	12070	9786	27623
2008-09 (BE) up to September, 2008	3233	2349	4940	10522

(b) Food subsidy is released to FCI and State Governments undertaking decentralised procurement for the quantity of foodgrains distributed under Targeted Public Distribution System (TPDS) and Other Welfare Schemes (OWS). The difference between the economic cost of foodgrains and issue prices is borne by the Central Government as food subsidy. No subsidy is released to the consumers directly by the Central Government.

(c) Wheat and rice are regularly distributed to BPL and APL ration card holders in all the States. Coarsegrain like Jowar, Bajra, Maize etc. are also distributed in lieu of wheat and rice by some States as per demand. Also sugar and kerosene oil are distributed to BPL ration card holders. Besides these commodities, some additional commodities are also distributed by some States through PDS outlets. A Statement showing State-wise additional commodities distributed through PDS outlets is at Statement-I (*See* below).

(d) and (e) The Central Government has introduced a scheme for distribution of upto 10 lakh MT of imported edible oils in 2008-09 with a subsidy of Rs. 15/- per kg. through State Government/UTs @ 1Kg per ration card per month through PDS shops/ other outlets. Depending upon the availability

and the distribution logistics, State Governments/UTs may restrict the distribution to BPL families or cover a part of APL families as well. Details of the programme given in Statement-II.

Statement-II

Scheme for distribution of subsidised imported edible oils through State Governments/UTs

1. The Scheme for distribution of subsidized edible oils would be restricted to imported edible oils. PSUs may import refined palmolein/soyabean oil for the initial two months to facilitate implementation of the Scheme without delay and thereafter crude palm/soya oil may also be imported.

2. PSUs *viz.* PEC, MMTC, STC and NAFED will import edible oils under the Scheme and PEC will coordinate with other PSUs in all the matters relating the import, refining and supplying the packed edible oils to the State Governments.

3. The subsidy would be limited to Rs. 15 per kg. of imported oil. The subsidy would be given to the PSUs directly by the Government of India.

4. The PSUs would supply the subsidized oil to State Governments/UTs who will supply the oil to ration card holders. The maximum quantity so distributed by State Governments will not exceed 1 kg. of edible oil per ration card/family per month. They may distribute the subsidized oil through PDS shops/other outlets as decided by them. They may restrict the distribution to BPL families or cover a part of the APL families as well depending upon the availability and the distribution logistics. It would be the responsibility of the State Government to ensure that the oil is not diverted/leaked and the targeted consumers get it.

5. The State Governments would decide the price at which the oil would be sold to the ration card holders. The State Governments will pass on the entire subsidy to the ration card holders.

6. The refined oil would be packed in packets of 1 kg./l/2 kg as desired by the State Governments with a label mentioning that it is subsidized by the Government of India alongwith other relevant details.

7. The State Governments/UTs would place their demands, restricted to allocation made by the Government of India, with the PSUs and lift the stocks within the time agreed upon. The State Governments would take delivery of the refined oil from the PSUs delivery point/packing centre.

8. The State Governments would be charged the entire cost of import upto packing and transport, including charges incurred by PSUs such as port charges, bank charges, trading margin, etc. minus the subsidy @ Rs. 15/- per kg. The cost of transportation from the packing centre/distribution centre and all other costs will be borne by the States/UTs concerned. The PSUs will intimate the modalities for payment and other financial transactions to the State Governments.

9. Trading margin (administrative cost) upto a maximum of 0.75% of the landed cost of oil and other costs such as port charges, refining and packing may be charged by the PSUs. This will, however, be subsumed in the subsidy mentioned in para 8 above.

10. The subsidies from GOI will be restricted to a total one million tonnes of edible oil under this Scheme during financial year 2008-09. However, initially 3 lakh tonnes of oil will be allocated amongst the States.

11. The edible oil will be allocated by the Department of Food & Public Distribution to the States taking into account the BPL population of the State, the quantity requested for allocation under this Scheme by the States, efficient distribution mechanism put in place by the State Government for this purpose and prompt offtake of subsidized edible oil by the States.

12. In case of States not lifting the allocated edible oil within one month of allocation, the allocation to such States shall stand cancelled and the quantity shall be reallocated to other States.

13. The States shall give monthly Statement to the Government of India mentioning the:

i. Quantity lifted by them;

ii. Quantity distributed through PDS mechanism; and

iii. Price at which such oil has been distributed.

14. This Scheme will initially be implemented for 3 months and can be extended after a review is done of its impact on domestic availability and prices of edible oils.
